At any time within this period, the Library may, on an item by item basis, award multiple contracts to each lowest responsive and responsible bidder for each furniture item.

15. **Acceptance or Rejection of Bids.** The Library reserves the right to waive any non-material variances in bid submittals and/or irregularities in the bid process, to award multiple contracts to the lowest responsive and responsible Bidder for each specified furniture item, and/or to reject all bids, all to the fullest extent allowed by law. Each low Bidder for each furniture item will be determined on an item by item basis, based upon unit cost. **The low bid determination shall not include finalized charges for freight, shipping, delivery, and/or assembly, and these items will be confirmed and finalized between the Library and Bidder at a later time. The Library's actual quantities ordered may vary from quantities specified, which is only an estimate. Responsiveness will be determined based upon compliance with these Instructions to Bidders. Responsibility will be determined by the Library based upon the information provided by each Bidder with its bid submittal. 4. **Records Retention.** Contractor shall retain such records related to this purchase and sale of furniture for a period of three (3) years after the delivery of all ordered furniture, or a longer period if required by law. If any audit has been requested and is not completed, the records shall be retained beyond the three (3) year period as long as required for completion of the audit.
5. **Payment and Performance Bonds.** Not applicable.
6. **No Delegation or Assignment.** Contractor shall not assign any right or delegate any duty under this contract to any third party without the Library's prior written consent. Any attempted assignment or delegation without such prior written consent shall be void.
7. **No Third-Party Beneficiaries.** There are no third-party beneficiaries to this contract.
8. **Independent Contractor.** Contractor is an independent contractor and not an agent of the Library. Contractor's employees are not employees of the Library and are not entitled to salary or benefits from the Library. Contractor shall not represent to any third person that Contractor or any of its employees are agents of the Library.
9. **Waiver.** The Library's waiver of any breach or default under any provision of this contract shall not be deemed to constitute a waiver of such provision for any subsequent breach or default of the same or any other provision. The disbursement or acceptance of any payment by the Library shall not be deemed to constitute a waiver of any prior occurring breach or default by Contractor of any provision of the contract regardless of the knowledge of the Library of such breach or default at the time of its disbursement or acceptance of such payment.
10. **Indemnity.** Contractor shall indemnify, defend and hold harmless the Library, its Board of Trustees, individual board members, administrators, employees, agents and representatives (collectively the "Indemnitees") from and against any and all claims, demands, causes of action, losses, liabilities, and damages, including reasonable attorneys' fees and court costs, to the extent arising from Contractor's performance and/or breach of this contract, or from any negligent act or omission of the Contractor or its employees or subcontractors.

11. **Defenses and Immunities.** No term or condition of this contract is intended to or shall be deemed to waive any common law or statutory immunity or defense available to the Library, and the Library expressly reserves all applicable immunities and defenses.

12. **Insurance.** Contractor shall procure and maintain through an insurance company or companies licensed to conduct business in Illinois insurance with coverage and limits as specified below, and shall cause "Skokie Public Library" to be included as an additional insured on these policies by endorsement. All such insurers shall carry a Best Key Guide Rating of A / VIII. The commercial general liability and automobile policies shall be endorsed to reflect that coverage is primary and noncontributory with respect to any other insurance available to the Library. The commercial general liability policy shall by endorsement provide contractual liability coverage including the indemnity obligations provided in this contract.

Each such policy shall include by endorsement a requirement of at least 30 days' written notice to the Library prior to any termination, cancellation or material amendment to that policy. Upon award of this contract, and promptly upon the renewal of such policies during the term of this contract, Contractor shall furnish certificate(s) of insurance, policies, and endorsements to the Library reflecting the coverages required.

The Library may at any time direct Contractor to change the formatting of its invoices or to add more details as required by the Library. Contractor shall deliver invoices to the Library no later than the first day of each month. The Library will process invoices in accordance with the Local Government Prompt Payment Act, 50 ILCS 505/1, *et seq.*

14. **Termination.** The Library may terminate this contract at any time, for any reason or no reason, in the Library's sole discretion, upon written notice to Contractor. If such termination is without cause, the Library will pay for the furniture delivered up until the date of termination. If such termination is based on the Contractor's material breach of contract, the Library shall have no further obligation to pay Contractor. Whether or not the Library exercises such right of termination, Contractor hereby waives any claim against the Library related to incidental, consequential, or special damages, including and not limited to lost profits.

15. **Prevailing Party.** In the event of any litigation, arbitration, or binding dispute

resolution arising from this contract, Contractor shall pay the Library's reasonable attorneys' fees and court costs to the extent the Library is determined to be the prevailing party.

16. **Choice of Law.** This contract shall be governed by, subject to, and construed in accordance with the laws of the State of Illinois without regard to conflict of law principles. Venue for any dispute shall be Cook County, Illinois. Contractor hereby consents to personal jurisdiction in Illinois with respect to all claims arising from this contract.

17. **Integration.** This contract includes the Instructions to Bidders, these Conditions of Contract, and the Contract Specifications, all as contained in this bid package; together with any later-issued Addenda, Contractor's Bid Submittal, and the Library's Notice of Award, these documents are collectively known as the "contract" or "Contract Documents." The Contract Documents constitute the entire agreement between the Library and Contractor with respect to their subject matter and supersede any prior oral or written agreement between the parties. This contract may not be cancelled or amended orally, but only by the written agreement of both parties.
